ANTIOCH, ILLINOIS, THURSDAY, FEBRUARY 16, 1950 FIRST IN RESULTS TO ADVERTISERS

NUMBER 29

## Mayor McMillen Gives Talk Before Lions Club On Sports and Lighting

Mayor James McMillen was the principal speaker at the meeting of the Lions club Monday evening at Adolph's Channel Inn.

His talk dealt mainly with his observation of current sports events and his avocation as a wrestler.

Questioned about the possibility of a White Way for downtown Antioch, McMillen said he favored the idea but he hasn't found any available money yet from the village treasurer.

The Lions in the last meeting of the village board asked that the trustees seek some source of revenue through which the project may be attempted.

Mayor McMillen said that he is making a study of the situation and hopes to have some kind of solution by the time the budget is made up in May. He said that not until the new census does he expect to get any great amount of money for the village in motor fuel tax.

At present the income from that source which is available for highway lighting is not much more than enough to keep the streets cleaned of snow and repaired, McMillen said.

He said the No. 1 problem of the village is to put some of the outlying streets in condition.

## Farm Bureau Will Hold Annual Meet Saturday At Warren High School

The 35th annual meeting of the Lake County Farm Bureau will be held at 8 p. m. Saturday, at the Warren Township High school, Gurnee. So successful have the evening meetings been the past two years, the Farm Bureau board again decided to hold this year's meeting at night. In order that all business, talks, and election of officers may be over by 10 o'clock, all reports by the various officers will be very brief.

Six directors will be elected at this year's annual meeting. Those whose terms expire are Ronald Paddock, representing Cuba, Wauconda, and Grant Township; J. Stichr, Newport-Benton Townships; Walter Sage, Fremont-Libertyville Townships; Raymond Dietz, Avon Township; Raymond Flood, Warren-Waukegan Townships; and Henry Knigge, Ela Township.

The main speaker for the meeting will be Mr. E. V. Peterson, district manager of the DuPont Chemical Company. Mr. Peterson will have with him many new things created by chemistry. His talk promises to be equally interesting to the women as to the men.

Mr. Peterson was born and reared on a Kansas farm and is a graduate in Agricultural Engineering of Kansas State College. He has served on the faculties of Iowa State and Pennsylvania State Colleges and in technical and administrative positions with the Forest Service and Soil Conservation Service of the United States Department of Agriculture.

He is a member of the American Society of Agricultural Engineers and Chairman of its committee on Farm Safety Committee of the National Safety Council. He is a member of the Society of Automotive Engineers, National Fire Protective Association, The International Platform Association, Kiwanis International, Chamber of Commerce and several other organizations.

### Dancing and Eats

Following the business program and starting at 10 p. m., there will be a period of square dancing led by one of Lake County's favorite square dance callers, Donald Adams. Refreshments of ham sandwiches, doughnuts, coffee, ice cream, and pop will be served in the high school cafeteria during the dance program. The business meeting will be held in the auditorium and the dancing in the gymnasium.

This year's meeting promises to be one of the large ones and plans are being made for many families.

### It's A Family Affair

All members of the family are invited to attend this meeting. There will be movies in the auditorium for those who do not care to engage in the square dancing. Children are welcome to attend this meeting with their parents.

Mr. and Mrs. Earl Gibbs returned to Antioch Monday after spending two months in Florida.

## T. B. X-Ray Unit Visits Nearby Public Schools

The schools of the Lake Villa-Fox Lake area were visited by the tuberculin testing teams of the Lake County Tuberculosis Association on Tuesday.

Schools included in the survey were Lake Villa, Cedar Lake, Alendale, Gavin, Grant Community High school, Fox Lake, Lotus Country and Big Hollow.

All children reacting positively to the tuberculin test as well as those who reacted positively in the past will be x-rayed by the association's Christmas Seal Mobile Chest X-ray Unit at a later date, Dr. Proxmire said.

## Antioch's Red Cross Quota Set at \$1,500; Drive to Start Feb. 26

## Fred Oschmann Is Named Chairman for This Township

The annual American Red Cross campaign for 1950 will be started in Antioch township Sunday, Feb. 26, Fred Oschmann, chairman announced today.

Oschmann, a resident of Lake Catherine, will be assisted in the drive by William Brook, Jr., and Mrs. Maurice Radtke.

Antioch's quota will be \$1,500.

Chairman Oschmann said he plans a meeting this week in which workers will be selected.

The county campaign is headed by Dean Howard E. Ganster, who announced that the goal for Lake County is \$49,125.75.

He said that solicitors in most places will call between 1 and 3 p. m. and asked that those not at home when the solicitors call to mail their contributions to their local chairman or to the chapter headquarters, 133 Belvidere st., Waukegan for local credit.

## Mayor McMillen Plans To Place Grounds For New Park in Condition

Mayor James McMillen said that with the approach of spring the village board will have to consider the conditioning of the new land given the village by William Schroeder, east of the Scout house.

"We are going to have to clean the place up and obtain some equipment for its use as a park and playground," said McMillen.

He suggested that an economical way to put the place in condition would be to declare a "Park Clean-up Day" and for all of the able bodied men of the town to roll up their sleeves and put in a day in cleaning the place.

Although there now is a fund for park purposes the mayor hopes to use it only when necessary to pay for equipment that cannot be obtained in any other way.

He believes that now that the village had the property it should use it to the fullest advantage.

## No Decrease for Antioch In Taxes Despite Saving League Secretary Reveals

Antioch township's tax demands will be \$4,000 less this year, but the savings effected through the efforts of Supervisor William Rosing will be offset by rising costs in the high school district, Walton Taylor, secretary of the Lake County Civic league announced.

The Civic League Reporter, bulletin of the league, said that when Lake county taxpayers get their bills for 1949's local taxes payable this coming summer, they will total nearly a half million dollars more than last year's record high. Says the bulletin:

"Lake county has 154 local taxing authorities, one for every 200 families. They have certified their 473 separate tax levies to the county clerk. Subject to the effect of localized increases in valuations and with the state's "multiplier" still unknown for 1950, the total probably will be about \$11,164,000 in contrast to \$10,737,716 in 1949 and \$8,818,819 in 1948."

### Corporation Taxes

Corporation taxes total over one third of the federal budget per year.

## High School Basketball Schedule Ends Friday In Northbrook Preview

## Sequoits Will Play Same Team Tuesday Night in Tournament

Serving as a trial heat to the tournament in which they will again compete next week Antioch and Northbrook High will meet in the final scheduled game of the basketball season at Northbrook tomorrow evening.

The two teams will play the third game of the district contest at Barrington next Tuesday night at 9 o'clock.

The game will decide whether the Sequoits will land in fifth or sixth place in the conference standing for the year.

They lost a tough one to Ela here Saturday night 33 to 36. Antioch took the first quarter 8 to 3 and led at the half 6 to 0. By the end of the third quarter the visitors had tied the score at 23-all and Poesche got hot in the final quarter to push his team into the lead.

T. Haviland with 12 points was high scorer for Antioch.

The local boys played a good game against the unbeaten Barrington team there Friday night. Antioch started out strong and held the Bronchos 8 to 9 at the end of the first quarter. After that Barrington drew away, leading at the half 21-8, and the third quarter 35-17. The final score was 45 to 27 in favor of Barrington.

While losing both games the Panthers played a good brand of basketball against Barrington and Ela. They held the Colts to a 34-26 score and the Ela Cubs to a 37 to 30 score. The Soph-Frosh quintet led Ela at the half 21 to 16 but lost out in the last half.

The tournament schedule at Barrington next week is as follows:

February 21

Game No. 1—6:30 p. m. Wauconda vs. Grant (Ingleside).

No. 2—7:45 p. m. Barrington vs. Lake Forest.

No. 3—9 p. m. Northbrook vs. Antioch.

February 22

No. 4—7:30 p. m. Ela (Lake Zurich) vs. Warren (Gurnee).

No. 5—9 p. m. Grayslake vs. Winner No. 1 game.

February 23

No. 6—7:30 p. m. Winner game No. 2 vs. Winner No. 3.

No. 7—9 p. m. Winner No. 4 vs. Winner No. 5.

February 24

No. 8—7:45 p. m. Winner No. 6 vs. No. 7.

## Jim Fields Finishes 8th In Men's Singles Held At Recreation Alleys

The men's singles bowling tournament held at the local bowling alleys the past two weeks came to a close Sunday evening with a grand total of 587 entries. This is over a hundred more entries than anticipated, and will result in an extended prize list. There will be a total of 101 prizes and a handcap score of 610 will be low to cash. The prize list will be completed when all averages are verified. In the meantime a tentative list of the first ten winners follows:

	actual	pins	hdc.	tot.	prize
1. Gus Gaglioli		673	74	747	\$400
2 & 3—Tie					
Larry Ogrin	690	28	718	175	
D. Vermillion	638	80	718	175	
Carl Berger	697	697	90		
Ken Schroeder	616	80	696	75	
Herbert Hoger	620	74	694	65	
Phil Skoff	639	50	689	60	
Jim Fields	605	80	685	55	
Joe Just	634	48	682	50	
Bruno Yagoda	620	60	680	45	
Skokie					

Some of the highlights of the tournament were the several high games bowled which helped to make up the above scores. Tony Jeffers, Waukegan, and Carl Berger, Chicago, each bowled games of 297, Phil Skoff a 269 game, and Gus Gaglioli a 268 game and a series of 673. The two high series, actual wood were 698 by Berger, and 690 by Larry Ogrin of Waukegan.

## Mail Delivery Reduced On Soo Line Because Of Soft Coal Shortage

## Dairy Exhibit Day Set For Mar. 3 at Grayslake With Free Noon Lunch

Whether you have a cow or two for family milk, or 25 purebreds producing grade A milk, you'll find several profit-making ideas at Lake County Dairy Exhibit Day, declares Farm Adviser Ray T. Nicholas.

The meeting will be held Friday, March 3, at the Grayslake Grade school gymnasium from 10:30 a. m. to 3:00 p. m.

In the morning you'll have a chance to see about 20 exhibits on cutting grain cost, artificial breeding, controlling mastitis, making grass silage, and other dairy problems.

Messrs. J. G. Cash and Leo Fryman, extension dairymen in the College of Agriculture, will be at these exhibits where you can talk with them.

The afternoon's program includes the new movie, "Green Dollars," on grassland farming filmed recently by the extension service. Mr. J. G. Cash, will discuss dairying and show slides to illustrate his points. And the farm adviser will explain the dairy program of Lake County.

One of the highlights of the day will be the free dairy lunch at noon. This lunch is being provided through the courtesy of the following firms: Cooperative Trading Co., Waukegan; Brummond Dairy, Waukegan; Beatrice Creamery, Waukegan; Bowman Dairy, Round Lake, Golden Guernsey Dairy, Antioch.

Topics at Dairy Exhibit Day include setting up a complete dairy program, feed saved by legume-grass pasture, hay drying, correct milking procedure, planning your building needs, producing quality milk, use of milking parlors, and other practical topics.

## Live Stock Meeting on Next Thursday to Have Pasture Use as Feature

If you want to know how to make the best use of grass and legume pastures this year, come to the live stock management meeting to be held at the Farm Bureau hall at Grayslake on Thursday, Feb. 23, starting at 1:15 p. m., farm adviser Ray T. Nicholas says.

G. R. "Dick" Carlisle, livestock extension specialist at the Illinois College of Agriculture, will be on hand to lead the meeting and discuss some of the various problems in livestock management.

Use of pasture by livestock probably will be the most important part of livestock management in 1950, Nicholas says. There are three reasons why this is true.

First, there are many acres of rough land in Illinois which at present are not productive enough to contribute their share of farm income. Only after they are producing pasture which is utilized by livestock will these rough acres become an asset instead of a liability.

Second, acreage controls on many crops seem certain. If acreage allotments are put into force, the land thrown out of grain production must either lie idle or be put into grasses and legumes. The best way to use these grasses and legumes is by feeding it to livestock.

Third, farm income is declining much faster than farm expenses and most farmers are looking for ways to keep costs down. One good way to cut costs is to use large amounts of pasture and roughage in livestock production.

During the management meeting Thursday, Carlisle will discuss systems of beef cattle feeding which take various amounts of roughage. He will use both experimental results and practical experience stories of Illinois farmers to illustrate these systems.

He will cover the value of pasture in hog production from the standpoint of lowered costs, and show that where hogs are produced on legumes grown in rotation, all the mystery is taken out of swine feeding. He will also discuss drylot feeding.

Miss Pearl Herrin and Mrs. Elizabeth Behler, of Woodstock, were callers at the H. K. Gaston home Sunday.

Survivors include a daughter, Mrs. Lillian Stott and two sons, Clayton and George and one grandchild, Dianne Stott, all of Antioch.

She was preceded in death by her husband, George B. Bartlett, who died September 13, 1949.

Funeral services were held from the Strang Funeral home Wednesday at 2 p. m. with the Rev. Roberts Ehrhart officiating. Interment was in Hillside cemetery.

These experiences he will tell.

Since the war the priest has interested himself in the establishment of a boys town in Italy patterned after the one developed by the Rev.

Mr. Flanagan near Omaha, Nebr. He is in this country in the interests of the Italian boys' town. He is staying at Highwood.

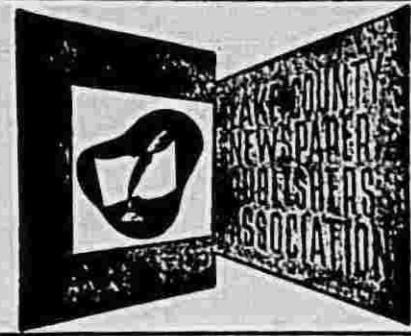

These experiences he will tell.

Since the war the priest has interested himself in the establishment of a boys town in Italy patterned after the one developed by the Rev.

**The Deadly Fruits of Carelessness**

Last year there was steady improvement in the nation's fire defenses, according to the National Board of Fire Underwriters. Yet the United States suffered a blazing series of serious fires, with heavy loss of life.

Worst of all the burning of a steamship at its Toronto dock—118 died, most of them Americans. Second worst was the hospital fire in Effingham, Illinois, which took 75 lives. Thirty-two other major blazes, most of which could have been prevented, also caused exceptionally heavy destruction and many deaths.

In the opinion of W. E. Mallalieu, general manager of the National Board, "Carelessness was factor in most of the fires during 1949. Neglect of fire protection, poor housekeeping and lack of employee training in fire safety were the chief factors in making big fires out of otherwise small ones."

The total destruction marked up by fire for this single year should be sufficient to make anyone stop and think. Direct property loss came to more than \$667,500,000. That marked the first drop in annual losses since 1942—even so, it was only 6.1 per cent below the all-time record for destruction set in 1948. And total fire deaths exceeded 10,000—to say nothing of the other thousands, including a high proportion of children, who were maimed and disfigured, some for life.

The National Board urges intensified efforts to prevent fire and save lives during the present year. Every intelligent American will agree to that and act on it.

**You Can't Eat Grass**

The Daily Drovers Journal, of Chicago, recently said, "You, a human being, cannot eat grass. But a cow or a sheep can, and they'll turn the grass into many things you can eat and wear. There you have the fundamental reason why the country should go on maintaining its herds of livestock at the highest possible level."

**LAKE VILLA**

The Intermediate classes of the church school were honored guests at the worship service at the Community church last Sunday morning when Rev. Harrison's sermon was based on "Race Relations" or "What if your face were black?" The choir is increasing in size and adds much to the worship service every Sunday.

The Woman's Society of Christian Service will meet Wednesday afternoon, March 1, with Mrs. Frank Hamlin at her home for dessert luncheon followed by a devotional service and business meeting. Visitors are welcome.

Rev. Harrison and Delbert Sherwood were at Wauconda on Sunday afternoon for a meeting with the District Superintendent for a session on visitation evangelism.

The Halcyon club will present "Brides to Burn" a comedy in three acts at the school gym on two evenings, Friday and Saturday, Feb. 24 and 25. You will enjoy the acting of these amateurs who have the talent of presenting amusing happenings in a very amusing way.

Mr. and Mrs. Wm. Weber, Mrs. Florence Kerr, also Mr. and Mrs. Ray Kerr and mother, Mrs. Milligan were guests of Mr. and Mrs. George Mitchell in Evanston last Sunday at a birthday dinner in honor of Mrs. Mitchell, Sr.

Mr. and Mrs. Lloyd Repke and daughter, Diane, of Northfield, Mrs. Bray, Mrs. Boyer and Mrs. Virginia Smith accompanied by Mrs.

spent Sunday with Mrs. Repke's mother, Mrs. Anne Nelson and family here.

Miss Laura Reinebach, of Chicago, was guest of her niece, Mrs. Gene Anderson and family over Sunday.

Mrs. Paul Avery, Sr., her daughter, Mrs. Ruth Sheehan, of Antioch and her guest, Mrs. Ruth Schumacher were Waukegan visitors last Thursday.

The pinochle club met Tuesday last week with Mrs. B. J. Galiger at her home at Monaville.

Mrs. Russell Brumfield entertained Mrs. Marie Hamlin, Mrs. Mayme Kapple and Mrs. Milligan at a luncheon followed by cards at her home on Tuesday afternoon last week.

Mr. and Mrs. Wm. Schroeder, of R. I. Lake Villa, announce the engagement of their daughter, Helen, to Virgil Burnette, son of Mr. and Mrs. Sheridan Burnette, of Antioch. The wedding will take place on April 15.

Mrs. Bessie Boyer, Mrs. Clifton Bray, Mrs. Virginia Smith and Mrs. Wm. Weber, were guests of Mrs. Wm. Marks at a luncheon at the North Shore hotel in Evanston last week Wednesday for the Republican Women of the 13th Congressional District. The group will hold a meeting at the Tam-O-Shanter Country Club early in May and tickets may be procured from Mrs. Marks or Mrs. Weber.

Mr. and Mrs. Lloyd Repke and daughter, Diane, of Northfield, Mrs. Bray, Mrs. Boyer and Mrs. Virginia Smith accompanied by Mrs.

To tune in Channel 4 on Saturday night at 8:30 p. m. and Channel 5 on Sunday night at 9:30 p. m. to see and hear a very fine program.

A program in which I am vitally interested

Sincerely yours

**Amiel L. Feyerabend**

A very large part of our livestock population is raised on grasses and grains which are fit only for consumption by these animals. If it weren't for the livestock industry, they would be entirely wasted. The meat animals wax fat and healthy on them—and thus the nation gets its beef and lamb, along with hundreds of other commodities, ranging a wide scale from fertilizer to such vital drugs as insulin, which are by-products of the packing industry. These by-products, incidentally, actually help materially in holding down the price of meat to the consumer and increasing the value of the producer's livestock. Nothing is wasted—everything plays a part in meeting the cost of carrying on the business. And the packers earn a profit of but a fraction of a cent per pound.

It is forecast that as our population grows the demand for meat will continue to increase, and that the meat supply will increase with it. From the point of view to the farmer, meat animals constitute one of the very best crops. A year-round cash market is always open to him. The price naturally varies, but it is an honest reflection of the supply-demand situation at the time he sells. Meat is, moreover, agriculture's principal source of cash income. Livestock can be raised and marketed on a small scale or a large. And meat in some form, finally, is found in the daily diet of practically everyone.

**Axle Grease and Hoof Oil**

Some eighty years ago one of the nation's pioneer oil companies was incorporated. Its principal founder, according to Life Magazine, "was quick to see a vast future—in kerosene, axle grease and hoof oil."

These products are still being made, though hoof oil must be a pretty modest seller nowadays. But their output is an infinitesimal part of the oil industry. Few living people could list all of the products which oil now makes and markets. The list is a very long one, and it is constantly being expanded.

Life also observed that, after 80 years, oil's pipelines carry the lifeblood of business and finance. It would be difficult to think of a single enterprise, a single important activity, into which oil does not enter in one form or another. It provides heat for homes, and the energy for vast industries. It powers our millions of motor vehicles and many of our trains. It is constantly used in agriculture. It is as necessary to our national defense as to our daily lives.

Our consumption of oil is far greater than that of any other nation. Two basic causes are responsible for that. First, we have an infinitely greater number of the machines which use oil, an accurate barometer of our superior living standards. Second, in our industry we have had one of the most progressive of enterprises which, spurred by competition, has met every demand made upon it.

Eighty years is no time at all as history goes. But in that brief period oil has caused a revolution of unprecedented scope and significance.

They will all have made their home sometime or other north of the Mason and Dixon line. The "Southies" will hear a special sermon on regional types in protestant religion. All four gates, or types of religious experience leading to heaven will be discussed, climaxcd by a special discussion of the South gate, of emotionalism. The folks from "down thar" will be registered at the door of the sanctuary, given a lapel badge bearing his state name. They will then be introduced to the congregation. The hymns, even will be of the gospel-song type so predominant in the southland. Everyone who has ever lived in the south will want to join in this inspirational service, and of course all native yankees will want to come just to see what these folks look like all in a bunch. In brief, the service will be as southern as cornbread, and black-eyed peas.

All high school young people are urged to meet at the church no later than 9:30 Saturday morning to go to Lake Bluff for the mid-winter Institute of the MYF. This has always been a high point in the MYF year. The young folks will stay over Saturday night in homes opened by church members, worship with the Lake Bluff church Sunday morning, receive communion in the afternoon and return home. The Saturday program is highlighted by an address by Bishop McGee. Also a part of Saturday's activities will be discussions, a visit to Lake Bluff Orphanage, and square dancing. The total cost for the weekend will be \$2.00 per person, including room and board.

We are proud of the addition of two more young men to our choir and another is anticipating joining. There is still room for a few more folks who like to sing. We are not looking for rare talent as much as

enthusiasm and faithfulness to the was an unqualified success as over church and choir in our singers. So 30 young people gathered for folk come and join us for rehearsals dances and eats. The group unanimously approved having such activity regularly in the church.

**WILMOT**

Wilmot High school district is right back where it was six months ago. That was the thought advanced today by the "citizens group" which advocated a special district meeting to be held Feb. 14 and 15. On those days, electors of the school district will be asked to vote on a \$350,000 addition to the present school. The voting is practically the same step the district was asked to take on Aug. 24, 1949, the group said on Aug. 24, the district was asked to decide between a new high school or an addition to the present school. On Feb. 14 and 15, it will be asked to decide "yes or no" on an addition. "It was quite generally understood when the district was enlarged that additional school room would be needed and the first logical step would be to enlarge the present high school building," the group said in a prepared statement. At the annual meeting on June 27, 1949, the school board was instructed to appoint an advisory committee consisting of one member from each municipality in the district which would work out building plans.

"Nine out of 11 on the committee recommended an addition to the present building. Two out of 11 recommended a completely new building. Due to the insistence of the two members, a plan was worked out which would enable the vot-

ers of the district to express their preference rather than vote yes or no on the program favored by the majority. The vote was for an addition, but it was ruled illegal by the state attorney general's office. The district is now voting on a combination gymnasium and auditorium that would seat approximately 1,000 persons and contain five classrooms, four for academic studies and one with complete shop facilities. This will be a yes or no vote. This plan will not take anything away from anyone. It would not close the present high school and literally destroy a building worth \$300,000. It will provide a modern, fire-safe high school building conservatively valued at \$650,000. "It seems at this time that the request for a \$350,000 addition is most logical for it will take care of the immediate problem adequately and at the same time will not be a mistake in any long range planning. It will allow for the county school committee and all interested individuals to consider future development. It will allow time to bring our school laws up to date. And at the same time it will not deny students attending school the privilege of a good education."

**Basketball Notes**  
Inability to cash free slips cost Wilmot high school's eagles a victory and complete control of first place in the southeastern Wisconsin conference Friday night, when they were reversed by the Aggies at Ro-

chester, 35 to 29. These rivals are now deadlocked for first place with the final game scheduled next Friday. Wilmot made but three charity tries in eight attempts and refused four while Rochester meshed 11 25-24. Richter was taken out on gratis shots. On baskets, Wilmot held the shade 13 to 11. Church of Rochester was the leader, scoring Wilmot's eight points. Max Richter carried for their last conference game of the offensive load for Wilmot. He season.

If you're floored by sky-high fuel bills, let us put you on your feet with a scientific test of your present oil burner.

#### We test . . . you judge!

If your oil burner shows inefficient operation, we'll tell you exactly how much fuel is being wasted.

Then we'll give you a written guarantee of how much you can save by installing a Timken Wall-Flame Oil Burner in your present furnace or boiler.

Unless you save as guaranteed, we'll re-install your old burner and refund your money. That's fair enough, isn't it?

We dare to offer this efficiency test because thousands of present Timken owners are getting direct fuel savings up to 25% or more.

For complete information, call us today! You owe it to yourself to act now.

**It's a Fact...**

\* . . . that in our opinion we have the finest, most modern and fully equipped Service Department in this part of the country.

\* . . . that we sincerely invite you to stop in any day or evening, just to see this fine modern equipment.

\* . . . that we specialize in overhauling of motors or installing of new motors.

\* . . . that we expertly work on brakes, clutches, front-end aligning, wheel balancing, headlight adjusting and focusing.

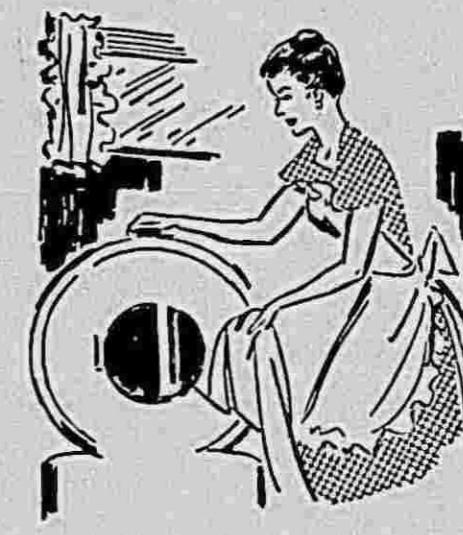

\* . . . that we do Scientific motor tuning with the best of SUN analizers.

\* . . . that there is nothing as fine as our Lubrication Department, in Lake County.

\* . . . that anything pertaining to your car, we can and will do with a sincere interest and deep appreciation.

**When you have an Automatic GAS Clothes Dryer -****You wash -**

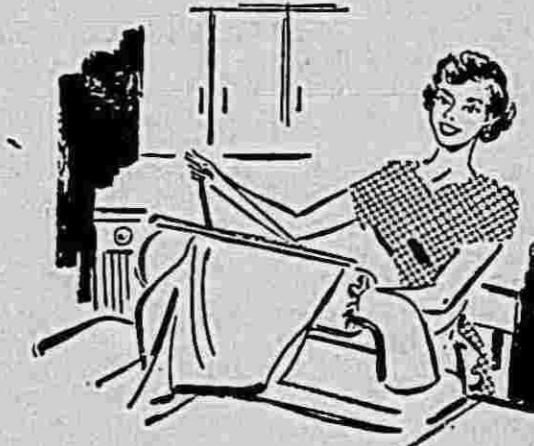

Rain or shine . . . day or night . . . you can wash whenever you like when you have a Gas Clothes Dryer. Clothes will dry as fast as you can wash them. If you take them out slightly damp, you eliminate sprinkling . . . clothes come from the dryer with just the right amount of uniform dampness for easy ironing.

**Dry -**

No more carrying heavy baskets of wet laundry . . . no more waiting hours for clothes to dry. Just take your laundry from the wringer or spinner, toss it into the dryer, and set the automatic temperature and time controls. 25 minutes later the laundry will be damp-dry, ready to iron . . . 35 minutes and it will emerge perfectly dry and fluffy.

**Iron -**

You'll have less ironing to do when you have an automatic GAS clothes dryer. More than 30 per cent of your laundry emerges from the dryer wrinkle-free . . . requiring no ironing. Towels, pajamas, tee shirts, baby and children's clothes go straight from the dryer to the "clean clothes" drawer.

**-the Same Morning!****30 Day Trial Offer**

Try a Gas Clothes Dryer in your own home for 30 days . . . if you are not completely satisfied you may return it and your 10% down payment will be refunded.

This offer for a limited time only.

10% down and as long as 24 months to pay the balance with your Service bill.

# SOCIETY EVENTS

Film "Prejudice" to Be Shown Sunday, Feb. 26

The Monthly Sunday evening hour for the entire community at the Methodist church of Antioch will bring the newest Protestant Film Commission's picture "Prejudice" on Sunday, Feb. 26. The picture, which is sponsored by the Methodist Youth Fellowship is particularly appropriate for Brotherhood month. It has received wide acclaim throughout the nation for its penetrating analysis of the hidden prejudices in the average man of goodwill.

## FIFTY ATTEND FAMILY NIGHT SERVICE TUESDAY

Despite icy roads and inclement weather nearly 50 people attended the monthly Family Night at the Methodist church in Antioch on last Tuesday evening. The pot-luck supper was followed by community singing which was led by Fred Yates with Mrs. E. W. Kufalk as the accompanist. The feature of the evening was the motion picture "Answer for Anne" which was sponsored by the MYF to stimulate interest in the church sponsoring a D. P. family. A special committee has been working on this matter for several months. George Good is chairman of the Family Night programs. Bob Wilton was in charge of the picture projection.

St. Ignatius' Church will commence observances of Lent with the Office of Evening Prayer or Evensong, sung by the choir of Seabury-Western Theological Seminary, with the Seminarists officiating, reading the Lessons, and preaching the sermon. The Reverend George Peck, newly ordained as a Deacon, will give the Sermon. The Seminary choir is well known for its rendition of traditional Plainsong and the beauty of the Service. After Evensong, there will be a reception given by St. Ignatius' Auxiliary for the Seminarists, to which the public is invited. Holy Penance will be made available from 6:30 to 7:30 p. m. in the church.

On Ash Wednesday, the first day of Lent, the Reverend Roberts E. Ehr Gott, priest in charge of St. Ignatius' will celebrate the Holy Eucharist at 8 a. m., beginning with the Penitential Office for Ash Wednesday and ending with the Imposition of Ashes, symbol of our mortality. On Friday, Feb. 24, at 8 a. m. the Holy Sacrifice will again be offered, being the Feast of St. Matthias, Apostle and Martyr.

## ST. IGNATIUS' ANNOUNCES NEW OFFICERS

The Rev. Roberts Ehr Gott, Priest in Charge of St. Ignatius' church announces the following appointments: Mr. Henry Kapell of Channel Lake as Superintendent of the Sunday School, and Miss Susan Garland of Antioch as Organist at the 9:30 Family Services.

St. Ignatius' High Schoolers elected officers at their last meeting. These were: Miss Ann McMillen, President; Master George Nelson, Vice President; Master Melford Stillson, Treasurer, and the Misses Geraldine Paglusich and Marjorie Purdon as Secretaries.

The St. Ignatius' Woman's Auxiliary announces the following new members received at their last meeting: Mrs. Richard Folbrick, Mrs. Lester Nelson, Mrs. Robert Nelson, Mrs. Fred Oschmann, Mrs. Arthur Swanson.

## W. S. C. S. TO SERVE LUNCHEON TUESDAY

The first of a series of cafeteria luncheons, sponsored by the Women's Society of the Methodist church will be held Tuesday, Feb. 21, between 11 and 1:30 o'clock in the church dining room. Home cooked food, and home made pies and cakes will be featured. Business people who have a limited time for lunch may be served without delay. Proceeds from the luncheons will be used for the Society's pledge to the Sunday School building fund.

## Junior Choir to Sing At Methodist Service

The Junior choir of the Methodist church will sing at the 11 o'clock service on Sunday morning. The choir, consisting of some 25 voices is under the direction of Mrs. E. W. Kufalk. The group will sing "God's Presence." The robed choir will also sing. The minister, Rev. G. Richard Tuttle will take as his sermon subject, "Christ and Our Enemies."

## MRS. DELLA DUCKWITZ IS DINNER HOSTESS

Mrs. Della Duckwitz entertained thirty-five friends and neighbors of Paddock's Lake, Wis., Monday evening at the Antioch Cafe. Dinner was served at eight o'clock. Those assisting with the serving were Mesdames Gladys Wilton, Dorothy Verke and Ruth Sterbenz.

## MR. AND MRS. CONRAD ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. Harry Conrad of Channel Lake have announced the engagement of their daughter, Joan Adele to Mr. Raymond Peter Toft, son of Mr. Peter Toft of Antioch. The wedding date will be announced at a later date.

## M.Y.F. High School Group Will Attend Mid-Winter Meeting at Lake Bluff

A group of seventeen will leave the Methodist church in Antioch on Saturday morning at 9 o'clock bound for the mid-winter MYF institute which will be held at the new Grace Methodist church in Lake Bluff.

The institute session will open with registration at 10 o'clock followed by a worship service at which Bishop Ralph Magee will be the principal speaker. The day's schedule will include a talk by Dr. Rockwell Smith, discussion groups, an institute banquet and recreation. The young people will spend the night in homes around Lake Bluff. On Sunday they will attend church school and church and then be entertained at dinner in the homes.

Those making the trip from Antioch include Bob Wilton, MYF president; George Reardon, Betty Jean McDougal, June Petersen, Bud Cardiff, Nancy Hornberger, Doris Petersen, Beverly Baird, Bob Dieball, Dick Haak, Morty Harmon, Dale Jones, Bill Clark, David Deering, Paul Biel, Bob Kufalk and the Rev. G. Richard Tuttle. Mr. Tuttle will be one of the discussion leaders at the Saturday afternoon session.

SEEK MORE MEMBERS FOR CHURCH CHOIR

New choir members are being recruited for the Methodist church this week as the choir is being reorganized in seeking replacements for young people who have gone away to school and those who have dropped out of the choir within the last year. Already 14 people have been listed as permanent members of the choir with the hope that several more will be added within the next few days. If there are any persons in the community who are interested in singing in the choir they are invited to attend rehearsals which are held each Wednesday evening at 7:45 in the sanctuary, or to call the minister (phone 61-J).

## NEW MYF ADVISERS ANNOUNCED AT THE METHODIST CHURCH

Members of the Methodist Youth Fellowship of the Methodist church in Antioch have selected their new advisers to take the place of Mr. and Mrs. Robert Zeigler who left Antioch this week. Mrs. Richard Scott will be the adviser for the overall program of the youth group. Miss Carol Bean will be the recreational adviser.

Mrs. Scott and Miss Bean met with the MYF cabinet at the Scott home on Sunday afternoon. The group plans to meet again soon to plan the future programs for the MYF.

St. Ignatius' church, which has been offering dances for young people during the week, announces curtailment of dancing during the Lenten Season, with shuffleboard in the hall and ping pong in the basement. Cokes and music are also available. Thursday afternoons for grade schoolers and Thursday evening instead of the previous date of Wednesdays for High schoolers.

## ALTAR AND ROSARY SOC. TO HOLD CARD PARTY

Members of the Altar and Rosary Society of St. Peter's church will hold a pre-Lenten card party Sunday, February 19, at 8 o'clock in the church hall. The public is invited.

OAKLAND SCHOOL TO HOLD MEETING FRIDAY

A regular meeting of School District No. 31 will be held at the Oakland school Friday evening, Feb. 17, at 8 o'clock. The Building and Consolidation committees will give reports. It is of vital importance that everyone be present to cast their vote.

MR. AND MRS. HOSTELLER PARENTS OF A DAUGHTER

Mr. and Mrs. Charles Hosteller, of Claremont, Calif., are the parents of a little daughter, Cheryl Lee, born on her brother Dennis' fifth birthday, Jan. 12. The Hostellers are former residents of Antioch.

Mr. and Mrs. William Gray who have spent the past two weeks in Florida, are expected home this week. Mrs. Elizabeth Boregard and son, Larry, of Waukegan, accompanied the Grays to Florida, where they will remain for the winter at their summer home in Ft. Lauderdale.

## SALEM

Mr. and Mrs. Clarence King have returned from a two week's visit in Florida.

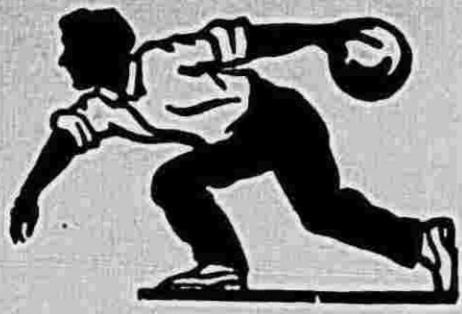

Mr. and Mrs. Byron Patrick drove to Harvard, Ill., Sunday, and visited Mr. and Mrs. Herman Krueger and family.

Mrs. David Elfers spent Saturday in Milwaukee.

Mr. and Mrs. Lester Dix held a family gathering at their home Sunday. Those present were Mr. and Mrs. Frank Dix, Dixie Lee, Donald, Joyce and Dorothy, Mr. and Mrs. Gordon Dix, Garry and Bruce, Mr.

and Mrs. Bill Dix and Sharon, Mr. and Mrs. Louis Slamar, Louis and Frank, all of Salem, Mr. and Mrs. Lloyd Dix and Darlene, of Kenosha, Mrs. Martha Hermance, Genoa City, Mr. and Mrs. Lee Hegeman and Mr. and Mrs. Ray Forster, of Wilmette, Mrs. Natalie Stroupe and Mr. and Mrs. Lester Dix and Judy.

Mr. and Mrs. Lester Dix entertained Monday evening at supper in honor of Jerry Stoxen and Austin Stoxen's birthday anniversaries. Those present were Mr. and Mrs. Austin Stoxen and Marjorie, Mr. and Mrs. Preston Stoxen and children

## Trevor P. T. A. Observes Founders Day; Has Second Largest Membership in Co.

The Trevor Parent-Teacher association held its Founders Day meeting Tuesday evening, Feb. 7, at 8 o'clock in the Social Center hall with a large attendance.

Mrs. Minnie Lubeno, president, presided. Reports were made by Secretary Mrs. Francis Lubeno and Treasurer James McKenzie.

In reporting four new members, Mrs. Clarice Prange, membership committee chairman, announced that the Trevor PTA has the second highest membership in the county.

A card party was planned for Friday evening, March 10, at the Social Center hall. The committee in charge comprises James McKenzie, James McKenzie, Jr., Bernard Schneigas, and Frank Scheiner.

After the business session a color film was shown by O. T. Steffensen, Kenosha, portraying the treatment for crippled children, and the education of 90 children of the Orthopedic school in Kenosha. It proved interesting.

A collection was taken for the March of Dimes, amounting to \$43.35. Lunch was served by Messengers Harry Lubeno, Henry Prange, Floyd Lubeno, James McKenzie, and John Plunkett.

An invitation is extended by the officials to all interested in the association to attend the meetings which are held the first Tuesday of each month.

Plastic Sewing Accessory  
Antioch's Newest Product

A new multi-purpose plastic sewing aid that shows prospects of moving in the best sewing circles has been designed by an Antioch area resident.

It is referred to as a button gauge and supports the button, allowing proper space between button and material, during the sewing operation. In the opinion of local sewing accessories experts of Williams Dept. Store and Barnstable and Brogan, this button gauge will eliminate the nuisance of using pins, toothpicks and match sticks in sewing buttons.

Both Mrs. Gertrude Dunning and Miss Mabel Brogan point out that buttons properly sewed will add to the useful life of the buttonhole and the appearance of the garment. Adding that home sewing has now developed to a new high level as a means of effecting savings, Mrs. Dunning said, "Sew and Save Week, Feb. 18 to 25, will interest even more homemakers this year."

Space requirements of the new concern, Homemaker Products, are being studied by the designer, K. R. Wilson, of Rock Lake. He states, "Antioch is ideal and several locations are being considered."

Juniors Select Jewelry,  
Seniors Announcements

The Junior class of the high school will select its class jewelry and the Senior class its commencement announcements today.

Representatives of three companies, Speese Bros., Chicago; Morgans, Inc., Chicago; and Josten Manufacturing Co., of Minnesota with a representative at Oregon, Ill., will be present with samples from which to choose.

## Attend Hog Sale

Agriculture students at the Antioch Township High School witnessed the Hereford Hog sale at Grayslake yesterday in their study of various types of swine.

out of three games from Blums. M. Walsh 476 for Barnstable and Brogan. K. Keulman 527 for Blums.

Johnson's won two out of three games from Bussie's. H. Sanders 515 for Johnson's. H. Segelke 445 for Bussie's.

Reeves won two games out of three from Antioch Recreation. E. Courtney 529 for Reeves. H. Beduhn 489 for the Recreation.

## WOMEN'S HANDICAP LEAGUE

Mehring's won all three games from Salem. V. Cermak 478 for Mehring's. C. Zuchlsdorf 429 for Salem.

Our Country Club won one game from Linders. H. Grewe 460 for Our Country Club. H. Sanders 510 for Linders.

Firemen Aid Lake Villa  
In Fire at Sky Lane Ranch Near That Village

The local fire department joined the Lake Villa department Monday night in extinguishing a blaze that burned the basement and first floor of the Sky Lane ranch house, Cedarcrest rd., near Lake Villa.

The fire broke out about 8 p.m. in the basement and the firemen worked during a sleet storm to bring it under control. Firemen believe an overheated furnace caused it.

The damage was estimated at \$5,000.

Operated the last two years as the only Dude ranch in the Chicago area, the place has been quite popular. It is owned by Peter Vold of Chicago.

John Gall, Lake Marie,  
Dies of Heart Attack,  
Burial Today in Chicago

Funeral services were held at 9 a.m. today for John Gall, 66, of Lake Marie, at the Sacred Heart church, Chicago, with burial in St. Mary's cemetery there.

Mr. Gall died of a heart attack at 11:30 a.m. Monday at his cottage, Shady Nook, where he had lived in retirement for the last 15 years. While employed at his trade in Chicago he received an injury which made him an invalid and confined to a wheel chair.

Companions noticed that he had collapsed Monday and called the Antioch Rescue squad. He was dead, however, before they arrived. The body was taken to a Chicago undertaking establishment.

Surviving are the children, Richard, Edward, Arthur, Anita Povilis, Lillian, John Jr., and Bernice Gall. The wife, Susan Stump Gall predeceased him in death.

ALLENDALE DEFEATS  
ROUND LAKE FOR  
ELEVEN STRAIGHT

The Allendale Tigers won their 11th straight game recently by defeating the Round Lake Grade school 63 to 18. The win was also their sixth in conference play this year.

Bert Heuer was again the scoring ace racking up 24 points for the winners. Guetsloff was high for Round Lake collecting 5 all on free throws.

The Allendale Junior team also won their game with Round Lake by a score 39 to 14. Bill Shipperley and Dave Peltier shared the scoring honors for the winners each getting 9.

**Standard Resort Boats**

The flat bottom Standard Resort has proved its value season after season as a first class, low-priced fishing, family, and pleasure resort boat. Of similar construction to other STAR boats, this model differs mainly in that it has built-in air chambers instead of the separate, removable type. These chambers are riveted to the sides and bottom of the boat in the bow and stern serving as seats.

Included are such features as sturdy angle-iron gunwale, wood floor-racks, anchor pulley, wood motor block, oar-locks, exclusive press-forged keel, and heavy channel steel framework. Finished in aluminum and green. Oars are \$6.00 per pair extra.

	Length	Beam	Depth	Seats	Weight	Price

"Let us forget", Wealth is not his that has it, but his that enjoys it.

Let thy maid-servant be faithful, strong and honest.

Changing Countries or Beds, cures neither a bad manager, nor a Fever.

#### When Buying a Car

We have found, after many years of careful observation, that the most important thing for my used car buyer to do is: Always kick the tires. We don't know why, but all good buyers do it. Some take a rather careless attitude, and just bump it with their toe a little, and others give this kicking business their full attention. Then there is the courteous kicker who acts as though the poor old tire may blow, whether it's on a clunker or a Rolls, but everybody does it. Come in and try it yet, tell it's fun.

We are all born equal—Even a new baby owes its share of the National Debt.

#### Meat and Nut Cake

United States paid Russia \$7,200,000 for Alaska—approximately 2¢ an acre.

All the world loves a lover and they also like water—but a dripping faucet can drive you nuts. (Paul Harvey)

The reason a dollar won't do as much as it once did is because people won't do as much for a dollar as they once did. Breathes there a man with soul so dead,

Who never to himself has said, "S&P 1%—14\$X&—1?X&" As he stubbed his toe on the foot of the bed?

#### Pome Dept!

DOLLAR vs. CENT  
A big silver dollar, a little brown cent,  
Rolling along together they went.  
Rolling along the smooth sidewalk,  
When the dollar remarked—for the dollar can talk:  
"You poor little cent, you cheap little mite,  
I'm bigger and more than twice as bright,  
I'm worth more than you a hundred fold.  
And written on me in letters bold,  
Is the motto drawn from the pious creed,  
"In God We Trust," which all  
...  
"Yes, I know," said the cent.  
"I'm a cheap little mite,  
And I know I'm not big, nor good nor bright;  
"And yet," said the cent, with a meek little sigh,  
"You don't go to church as often as I".  
—Mrs. F. Barret,  
Grand Rapids

#### Household Hints

To keep cheese fresh wrap in a muslin or linen cloth sprinkled with vinegar, then dipped in water and wrung out. When the cloth is no longer damp after a few days, repeat the procedure.

#### Mince Meat Pie

For a different mince meat pie, add a cup of cranberries with each cup of mince meat.

Next week we will give you the recipe for an old fashioned New England York Apple Pie.

#### Gentlemen? Of the jury

French lawyer pleading for an attractive transgressor. Gentlemen of the jury, shall this charming young lady be cast into a lonely cell or shall she be returned to her beautiful little apartment at 33 Rue Neuve. Telephone 8-397.

#### This Week's Quizzer

When is "We is" correct grammar?

Answer to last week's quizzer: What are the longest words in which no letters are repeated?

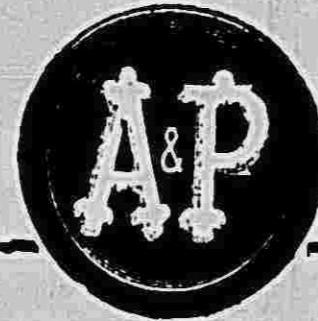

The longest we know of are ambidextrously, undiscoverably and uncopyrightable. Each contains all the vowels, a-e-i-o-u and more than half the letters of the alphabet. Do you know of any longer ones?

**Slovenian Poet**  
The hundredth anniversary of the birth of the Slovenian poet Presern was commemorated with three series of stamps, in three-dinar, five-dinar and 10-dinar denominations. Each series comprised 300,000 stamps.

**Open Pit Iron Mine**  
The world's largest open-pit iron mine is at Hibbing, Minnesota. Since stripping started there in 1895, more material has been taken from the pit than was originally excavated in building the Panama canal.

*It doesn't pay  
to doctor your  
own INSURANCE*

If you are not trained in the medical profession, it doesn't pay for you to diagnose your illness or to prescribe the medicine which you should take to make you well. Neither does it pay for you to doctor your own insurance. We have seen the results, bad results, of this so many times that we urge you not to do it even though we never handle a nickel's worth of your insurance business. This is altruistic advice for your own good and for the good of the insurance profession.

OUR ADVICE  
COSTS YOU NOTHING

# Now Eliminated! MAJOR CAUSE OF OIL BURNER SERVICE CALLS

**MOST IMPORTANT FUEL OIL**

**DEVELOPMENT IN 15 YEARS**

New SHELL  
FUEL OIL  
with

# FOA-5X

Today—every gallon of Shell Fuel Oil you buy has a revolutionary new ingredient. It's called FOA-5X and it is especially developed to keep filter screens clean during an entire heating season. Clogged filter screens have long been recognized as a major cause of oil burner service calls.

#### FOA-5X Keeps Filter Screens Clean

Because of the anti-clogging property of FOA-5X, Shell Fuel Oil for home heating *cleans as it heats*.

#### It took 15 years of Shell Research and Tests

FOA-5X is the result of 12 years of exhaustive Shell Research in the Shell Fuel Oil Laboratories. And 3 additional years were spent testing FOA-5X in thousands of homes with burner units of all types and with only normal summer maintenance. In every test the result was the same: not a single case of burner failure due to a clogged filter screen was reported!

#### FOA-5X helps keep your Fuel Tank from Rusting

Another FOA-5X achievement: Shell Fuel Oil has a powerful anti-rust action...retards the formation of rust and scale *inside your storage tank*.

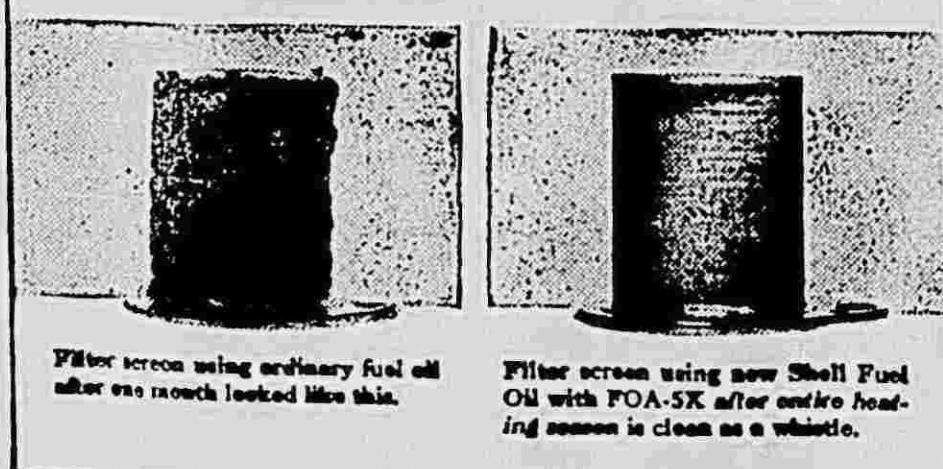

Phone Antioch 509

#### Start using new Shell Fuel Oil with FOA-5X today

Shell Fuel Oil with FOA-5X is a new product—a superior product that overcomes the greatest cause of burner shutdown due to fuel. For carefree heat all winter long, call Shell today.

#### LOOK AT THE DIFFERENCE:::

when your oil burner uses

**HICKORY**

Mr. and Mrs. Gordon Wells gave a birthday dinner at their home on Friday, Feb. 10, for their mother, Mrs. Nettie Wells, who celebrated her 80th birthday anniversary that day. The guests were Mrs. Viola Eddy, of Ash St., Waukegan, who went to school with Mrs. Wells, Mr. and Mrs. Ernest Wells, of Gurnee, Spencer Wells and his daughter, Mrs. Leonard Micheles, of Burlington, Mr. and Mrs. Curtis Wells, of Hickory, and Mr. and Mrs. David Pulley and Mr. and Mrs. Joe Merville, of Zion. In the afternoon and evening many other relatives and friends called at the house.

John E. Van Patten entered St. Therese hospital Tuesday night, Feb. 7, as a surgical patient. He had his appendix removed on Wednesday and came home again on Friday afternoon.

Mr. and Mrs. Curtis Wells called on their cousin, Mrs. Lily Mathews, at her home in Kenosha Thursday afternoon.

Mr. and Mrs. Curtis Wells visit-

ed Mort Savage at his home Sunday afternoon. They also called on Mr. and Mrs. O. L. Hollenbeck in Millburn.

Mr. and Mrs. George Panzer, of Libertyville and their son and wife, Mr. and Mrs. Raymond Panzer, of Waukegan, also Mr. and Mrs. Emett King were Sunday afternoon callers on Mrs. Nettie Wells and Gordon Wells family.

Mrs. David Bennett visited her cousin, Mrs. Charles Butrick at Bristol Wednesday afternoon.

livelier longer

JUST realize one thing, good madam, good sir—as you pilot your Buick down the highway past the parade of lesser cars, you're the secret envy of most other drivers.

So you owe it to this admiring audience to keep that wonderful Buick of yours purring at its proudest—gliding over the roughest roads like a car on a cloud, with never a squeak—lively, long-striding, and staying that way longer!

And one of the easiest ways to do that is to wheel into our shop once a month—ask the man for our LUBRICARE—and here's what will happen:

**1** One of our trained Buick mechanics will lubricate your car as the factory engineers specify—covering many points never touched elsewhere.

**2** While he goes over your Buick, he gives you an extra service only a Buick man can render. He inspects the entire car with a trained Buick eye—making sure you get lubrication plus Buick care.

**3** When you get your bill, you'll find a wonderful surprise—our LUBRICARE costs no more than a routine "grease job" but, man alive, what a difference it makes!

**Buick care**  
keeps Buicks best

## NEW QUIET AT HIGHWAY SPEEDS

Spoke in whispers at 50 thanks to "sound-deadening" ... a 13-way stronger "Lifeguard Body" ... and Ford's new "bulldog" V-8. And outside new baked-on colors make Ford more beautiful than ever.

← MORE HIP AND SHOULDER ROOM Inside, you drive on non-slip front seats that are foam rubber cushioned. The most hip and shoulder room in Ford's field.

• 50 FORD

→ BUMP BLOTTER → "Hydra-Coil" and "Para-Flex" Springs blot the humps out of your way. The new "King-Size" Mid Ship" ride in the low, level center section you're in for a new high in comfort.

← 35% EASIER ACTING BRAKES Features like Ford's 35% easier-acting "King-Size" brakes keep you safe. You stop on a dime, at a tiptoe touch, thanks to this "Magic Action" of these great '50 Ford brakes.

## V-A V-8 FOR LESS THAN MOST SIXES

The new, super-quiet V-8 is the same type engine in America's costliest cars
